

Thomas Miller Investment selects SuMi TRUST and Tregunter to launch range of UCITS funds

Dublin and London, 12 August 2015 -- SuMi TRUST Global Asset Services is pleased to announce the launch of three new sub funds on the GlobalReach New Vision Strategies Fund plc, an Irish UCITS fund platform jointly sponsored with Tregunter Management Limited, the Irish management company.

The new sub funds are managed by Thomas Miller Investment , a leading International and UK investment and wealth manager for private and institutional clients. SuMi TRUST is the established service provider providing administration, accounting, trustee, depositary and custody.

The three sub funds have transitioned from existing offshore structures and comprise of a Diversified Assets fund, a US Dollar Bond fund and a Sterling Bond fund.

Karl McEneff, Chairman of SuMi TRUST in Ireland, commented: "The Thomas Miller Investment partnership with SuMi TRUST reflects our long history and notable expertise in supporting UCITS and UCITS-equivalent fund structures. SuMi TRUST has been one of the fastest growing Dublin based fund administrators over the past 12 months, a testament to our full service capability, personalised client approach and committed support for asset managers of all sizes and across multiple strategies".
